11th INTERNATIONAL YOUNG SCIENTISTS' BIOLOGY CONFERENCE
"FROM A MOLECULE UP TO THE BIOSPHERE"

Ukraine, Kharkiv

November 29th – December 2^d 2016

Dear colleagues,

We are glad to invite you to participate in the 11th International Young Scientist's Biology Conference which will take place from the 29th of November to the 2^d of December 2016 at the V.N. Karazin Kharkiv National University (KhNU). The conference is organized by the School of Biology and Students' Scientific Society of the Kharkiv University.

MSc and BSc students, as well as PhD students and young scientists (**up to 35 years old**), are welcome to present results of their research in biology, biomedicine and ecology. Participants may choose one of the two ways to present their data: oral talk or poster.

Languages: The official languages of the conference are English, Russian and Ukrainian.

The following sections will be present:

- | | |
|------------------|---|
| — Biochemistry | — Genetics and Selection |
| — Biomedicine | — Human and Animal Physiology |
| — Bioinformatics | — Microbiology, virology and immunology |
| — Biophysics | — Molecular and Cell Biology |
| — Biotechnology | — Mycology and Phytopathology |
| — Botany | — Plant physiology |
| — Ecology | — Zoology |

The abstracts will be published by the Organizing Committee and distributed among the participants during the conference. Conference materials will also be available on the website of the KhNU after the conference.

For registration, participants are required to send the following materials before the 23th of October 2016 by e-mail (**molecule_biosphere@ukr.net**):

- Registration form
- Abstract
- A receipt for registration fee with the name of the paying person indicated (scanned copy)

Electronic versions should be sent by the first author as attachments in one message. The filenames should correspond to the surname of the first author; the extension should be .rtf (for example, jones_regform.rtf and jones_abstract.rtf).

IMPORTANT! The Organizing Committee will send you a notification that all the materials sent by e-mail were received. In case if you do not receive such a notification within one week after you have sent the data, please try to send the e-mail once more! Abstracts sent after the deadline will not be published in the abstract book.

ABSTRACT GUIDELINES

The maximal size of the abstract is one page. It should be prepared in MS Word in Ukrainian, Russian or English. The filename should correspond to the surname of the participant that presents data and have extension .rtf (e.g., jones_abstract.rtf). Please, use the following formatting: page size A4, all margins are 2 cm, font Times New Roman, 12 pt, single spacing, special symbols only from the Symbol font.

The abstracts should be formatted in the following way:

- 1) Title (capital letters, bold, central alignment).
- 2) Names of all the authors (bold, central alignment).
- 3) Affiliations: institution, department, institutional addresses, e-mails of the authors (left alignment, no indentation).
- 4) Summary (justified alignment, indentation from left 1 cm, no division of words, no bold or underlined text, italics only for Latin names, no tables, pictures and plots).
- 5) References: please, do not put any references at the end of the abstract. If it is necessary, reference can be given directly in the text (e.g., Smith *et al.*, 2009).
- 6) Information about supervisor or academic advisor (name, scientific degree, position) and acknowledgements
- 7) For abstracts in Russian and Ukrainian: a short (not more than 10 lines) summary in English.

IMPORTANT! Supervisor is not included to the list of authors. Each author has to be not more than 35 years old.
